Icon of the Week

Eastern Christian Publications and Eastern Christian Bulletin Service offers a special and unique email subscription service of an **Icon of the Week** for spiritual reflection and catechetical education. This service sends an automatic email of an Eastern Icon to you every week of the liturgical year with a text commentary that reflects on the feast day, the scripture reading, or a saint of that day or of the upcoming week. The service is available for four different liturgical calendars:

- Byzantine Catholic
- Eastern Orthodox
- Protestant
- Roman Catholic

You will receive an email of the icon and commentary every Saturday for the following Sunday. You can read and reflect on the content on your computer screen, or print the letter-size image on your printer, color or black & white.

The service for any of the calendar options is only 25 cents per week (a simple quarter), or $1.00 per month, $12.00 for the year. You will receive 52 weeks of icons and commentary for your annual subscription.

Theosis

Eastern Christian Publications offers a monthly magazine and eZine called **Theosis: Spiritual Reflections from the Christian East**. It contains daily prayer and short description for the saint of the day, and several short essays on topics for spiritual reflection from the Christian East. They include the history, tradition and theology of a feast for the month, and various articles on the mystical theology, prayer, spirituality, iconography, and sacramental life of the Eastern Churches. Each issue will also cover other topics such as scripture, homiletic reflections, feasts and fast, and a photo essay of an Eastern Church.

The print/eZine versions are identical, and are similar to other popular spiritual publications such as **Magnificat**. However, **Theosis** focuses on the tradition of the Eastern Churches, and reflects on the call of Blessed John Paul II for the Church to “breathe with TWO LUNGS.”

You can subscribe to the printed magazine for 6, 12 or 24 months – the longer you subscribe, the lower the monthly cost. These will be mailed to you each month. Single copies can also be purchased – print version or eZine version – from our website. The print versions will be shipped to you in bulk quantities, and the eZine version can be downloaded for you to print yourself. Bulk print versions can also be purchased by parishes who wish to distribute or make **Theosis** available to parishioners.
The Byzantine Daily Office (BDO)

Eastern Christian Publications is pleased to offer an electronic form of the Byzantine Daily Office, daily prayers according to the tradition of the Eastern Christian Churches of Constantinople (Byzantium). The BDO includes the full prayer text for Morning and Evening Prayers for Persons in the World, and the First, Third, Sixth and Ninth Hours. We also provide all the changeable parts needed for each day according to the Byzantine Ruthenian Typicon.

We offer two basic versions — BDO Email and BDO Audio

BDO Email: a daily subscription service that sends an email to you every day with the next day’s Daily Office prayers.

1) BDO Complete: The full text of Morning and Evening Prayer, and the First, Third, Sixth and Ninth Hours, for private prayer of a lay person or a priest, with all the changeable parts (troparia for the saint of the day, the festal season, the day of the week, and the hour). (6 x 10 minutes per day.)

2) BDO Lite: Morning and Evening Prayer with only one of the optional prayers pre-selected each day, and the Sixth Hour with only one of three psalms and the changeable prayers. (3 x 6 minutes per day.)

3) BDO Propers: The changeable parts of each Hour for that particular day. (1-2 minutes per day.) You get all three versions each day and so have complete flexibility to use whatever prayers your busy schedule allows. Your copy will be distributed by email each evening for the following day. Use it on your desktop, laptop, or any other portable device where you get email. It will be complete and contain all the prayers you need to pray anywhere/anytime!

BDO Audio: recordings of daily prayers in a generic form for each day of the week that you can download to your portable audio device or play from a CD. Three prayer services are now available as audio recordings — Morning Prayer, the Sixth Hour, and Evening Prayer. Seven versions of each are provided on each CD or album, one track of 10-12 minutes each, for each day of the week. Order a CD version to play in your car on the way to work, at home on your stereo, or to carry with you on your portable CD player. Buy a copy for your children or grandchildren as they get ready to go away to college. The same three services are available for smart phone or audio device from websites such as iTunes, Amazon MP3, etc. Search for “Byzantine Daily Office.”
